CERTIFICATE OF ANALYSIS

QUALITY DOCUMENT TEMPLATE

SAMPLE TEMPLATE - NOT A LAB TEST RESULT - NOT VALID FOR CUSTOMER RELEASE

PRODUCT

Blue Glow

Declared fill: 10 mg per vial

Form: Research material, vial format

CERTIFICATE ID

BOAZ-COA-TEMPLATE-BLUE_GLOW_10MG

STATUS

AWAITING VERIFIED LAB DATA

Batch and Laboratory Details

Lot / Batch No.	[ENTER LOT NUMBER]	**Testing Laboratory**	[ENTER LAB NAME]
Manufacture Date	[ENTER DATE]	**Laboratory Report No.**	[ENTER REPORT NUMBER]
Test Date	[ENTER DATE]	**Release Date**	[ENTER DATE]

Analytical Results

Test	Method	Specification	Verified Result	Status
Appearance	Visual	Per approved specification	[ENTER]	PENDING
Identity	LC-MS / validated method	Matches reference identity	[ENTER]	PENDING
Purity	HPLC / validated method	Per approved specification	[ENTER]	PENDING
Content / Assay	Validated quantitative method	Per approved specification	[ENTER]	PENDING
Water Content	Karl Fischer / validated method	Per approved specification	[ENTER]	PENDING
Residual Solvents	GC / validated method	Per approved specification	[ENTER]	PENDING
Microbial Limits	Validated microbiological method	Per approved specification	[ENTER]	PENDING
Endotoxin	Validated endotoxin method	Per approved specification	[ENTER]	PENDING

Authorization

Authorized laboratory representative

Quality release signature and date

IMPORTANT:
This PDF is a design template only. It is not evidence that the product was tested, and it must not be presented as a valid COA until authentic laboratory results, report identifiers, and authorized signatures are added from the original testing laboratory.
